Matched look = less load and \$ave

Able to replace individual panels

Panels are deliverable to site faster

RIVETTED (OTHERS)

Status Quo

Unsightly screws and rivets

Color match screws and rivets

No manufacturing consistency
between fabricators

FABRICATOR NETWORK COAST-TO-COAST

EVO's™ Exclusive Manufacturer's Network in North America, ensures Quality Assurance in production and installation procedures, attainable through our standardized system design. Architects, Developers and decision-makers, will appreciate excellence in our planning, execution, delivery and service follow thru, as being a signature of our Network.

The EVO™ Network provides a collaborative resource between manufacturer's to complete projects on-time, discuss innovations, remain competitively positioned with broad appeal in N America and confidently be the leaders within their industry, year-after-year.

The opportunity to develop professional relations with architects and specification-writers throughout America has created many opportunities for the fabricator network to produce and install EVO™ RIVETLESS™ on architectural wall projects. Many experts have now realized the advantages of the EVO™ approved and tested system. Between our fabricators, the resource library: <http://microsite.caddetails.com/5124> and our technical team, your questions can be answered.

Future testing for compliance to: NFPA285 / CAN/ULC S134 Miami-Dade HVHZ tests and others, will continue to position EVOTM RIVETLESSTM at the forefront of innovative solutions.
